

Bottles to Decorate

Materials:

- Empty bottles
- Newspaper
- Small piece of Glasspaper
- Paints (White and coloured)
- Elmer's Glue All (or similar)
- Paintbrush
- Glue brush
- Ruler

1. Tear newspaper into small strips (about 1.5" x 3"). Glue the strips on to the bottle to cover completely, working from the neck of the bottle downwards. Leave to dry, and then cover with a second layer of paper strips.
2. When thoroughly dry, lightly rub the surface of the covered bottle with glass paper to give a smooth finish.
3. Paint with white (matt) paint and leave to dry.
4. Decorate as required using coloured paints, ink or scraps of coloured paper glued on.

Quick and easy nibble dishes made from a plastic soda bottle

These small useful plastic Nibble dishes were each made from one plastic soda bottle. The top and bottom sections of the bottle were cut off and glued together as shown with a hot glue gun.
